This colour has translucent properties, offering potential for lighting effects with Corian®  
 The veining of these colours may vary in intensity and highlight joins  
 Colour change of less than or equal to 5ΔE\* ab units in 10 years - good choices for exterior applications

Colour change of 5 to 15ΔE\* ab units in 10 years - good choices if some colour change is not objectionable  
 Colour change of greater than 15ΔE\* ab units in 10 years - potential choices if greater colour change is acceptable. IMPORTANT: UV RESISTANCE IS NOT RELEVANT FOR INDOOR USE  
 Sheet thickness 6 mm   Sheet thickness 12 mm   Sheet thickness 19 mm

[A]-[E] Indicate price groups

**DCT** This colour is produced with DeepColour™ Technology\* and offers a darker, deeper, richer colour appearance, reduced whitening caused by impact, heat or thermoforming and reduced sanding time to achieve the desired finish than former versions. (\*Patent pending)

\* Dark colours of Corian® tend to show every day wear and tear, including light scratching, more readily in high use horizontal areas (eg. kitchen benchtops). To ensure we meet your expectations, customers should be aware of the extra care needed. Scratching is not considered a product defect and hence not covered by the 10-year warranty.

# Corian® Sheets.

Timeless sophistication for surface design beauty, strength and versatility come naturally to Corian®. From idea to reality, the resourcefulness of Corian® is entirely at your creative disposal.

● In stock   ○ Extended Lead Time 10 - 12 weeks. Minimum order quantities apply.

**LIMITED** Check stock availability prior to placing order.
